Commissioner is hereby authorized to charge any additional amounts or credit any overpayment to our Deposit Account No. 50-0525. A duplicate copy of this Response is also enclosed.

Upon review of the Filing Receipt it was noted that the number listed in the "Total Claims" column is incorrect. This continuation in part application was filed with a total of 123 claims, 3 of which were independent claims. A check was submitted for payment of the filing fee as well as the excess claims totaling over the 20 allowed at the time of filing. On September 12, 2000, a Preliminary Amendment was filed which added a total of 14 new claims to the application, one of which was an independent claim. A check in the amount of \$156.00 was included as payment of the fee for these additional number of claims. With the entry of the Preliminary Amendment, the total number of claims for examination in the above-referenced application should total 137, not 133 as indicated on the Filing Receipt. Applicant respectfully requests a correction of the original Filing Receipt to reflect the appropriate number of total claims present in the instant application and the issuance of a Corrected Filing Receipt reflecting this change. Should the fee submitted with the Preliminary Amendment be improper or insufficient, the Commissioner is hereby authorized to charge any additional amounts or credit any overpayment to our Deposit Account No. 50-0525. A duplicate copy of this Response is enclosed.

Respectfully submitted,
